

**ONLY  
£695**

*I don't believe how comfortable these beds and mattresses are. I usually take at least 20 mins repositioning to get comfortable enough to get to sleep, but I was asleep in minutes. I have severe back issues, but actually woke up feeling refreshed. Norma ME8 Kent*

**TWO HEIGHT OPTIONS AVAILABLE**

The ALERTA Bed with Oakwood effect wooden surround, complete with a vapour permeable pressure reducing mattress (normally worth £180 when sold separately). 2 Height Options available:-
